### Shady Side Academy

#### Middle School Renovations

Jendoco Construction Corporation was selected in May of 1999 to provide Pre-Construction and Construction Services for the Interior Renovations to the Shady Side Academy Middle School.

Addition and Renovations included the upgrading of all classrooms, lab rooms and art studio. Also included in the work was bringing a 1936 facility into ADA compliance including restrooms, elevator and wheelchair lift.

Aggressive scheduling permitted the project to be completed approximately six (6) weeks ahead of schedule.
